Anchor Marine 'Blue Dot' Lifetime Guarantee

Anchor Marine manufactures a comprehensive range of buoys and fenders from our exclusive marine vinyl, ensuring maximum protection for your boat against bursting. With over 50 years of experience producing buoys and fenders in the UK, our products proudly feature the renowned 'blue spot' Anchor Marine trademark, which stands as a mark of proven quality in both hot and cold climates. Known for their practical design, vibrant colours, exceptional burst resistance, durability, and ruggedness, Anchor Marine products exemplify reliability. As further assurance, we are delighted to offer a lifetime guarantee on all inflatable products bearing the 'blue spot' against any manufacturing defects.

Note: Anchor Marine's buoy / fender 'blue spot' lifetime guarantee is subject to terms and conditions, available on request - Original proof of purchase & warranty label required.

Custom Text & Logos

Anchor Marine are delighted to offer a unique buoy and fender customisation service

Discerning boat owners can now add their own custom text, their boat name or their own logo to our buoys and fenders.

Published prices apply to a single-color logo or text placed below the blue spot trademark on one side of the fender only.

Complex single colour logos / layouts and alternative fonts can be accommodated, however prices will require to be confirmed upon submission of font files and / or artwork.

Stock colours:

Gloss Black
M7-110

Gloss White
M7-100

Silver
M7-190

Graphite
M7-196

A full spectrum of 92 different colours are available

<https://www.metamark.co.uk/metamark-7-series>

A wide range of standard fonts are available

Norfloat International buoys and fenders can also be customised with bespoke text and / or logos, however as this is a different process using specialist inks, these need to be priced individually as required.

Please forward your completed order form, along with any queries; any relevant font files; custom text and / or artwork to:

(FONTS: .tff or .otf formats accepted & ARTWORK: Vektored, Hi-Res, .pdf or .eps formats accepted)
